**Members Anti-Hazing Compliance Form**

We certify that all activities sponsored or required by our National fraternity/sorority, society of members or aspirants/membership intake members comply with the University of Arkansas at Pine Bluff Hazing Policy and the State of Arkansas Hazing Policy Act 75 of 1983.

We have informed the aspirant/new membership intake members of our fraternity, sorority, and society of the contents of University of Arkansas at Pine Bluff Hazing Policy. This policy will be read to new initiates at the beginning of each semester of an organization's intake process.

Hazing will not be accepted at the University of Arkansas at Pine Bluff. No student or organization has the right to inflict physical or mental harm on a person or to humiliate or degrade a person. All forms of hazing by any university student or student organization are expressly prohibited and serious penalties, such as expulsion from the University or loss of recognition by the University may be imposed on individuals or groups found in violation of these rules.

We understand that failure to uphold the University's Hazing Policy as stated in UAPB ROAR, Student Organization Handbook, and other publications may result in organizational and/or individual discipline.

We understand that participation in any hazing activity or having knowledge of it and taking no action to stop the hazing acts is in effect giving our approval to haze. We understand our responsibility is to not allow members of our organization, whether graduate/alumni status or affiliated at another institution of higher education, to haze potential members who are involved in our membership intake process. Failure to report any such activity of which we become aware of may result in a personal referral to the Dean of Students.

Our signatures below certify that we have read, understand, and agree to abide by the University of Arkansas at Pine Bluff Anti-Hazing Policy.
