

STUDENT RESEARCH ASSISTANTSHIP INTEREST FORM

Department of Chemistry and Physics

Thank you for your interest in paid research assistantship opportunities with the Department of Chemistry and Physics! Our faculty lead cutting-edge projects funded by the NSF, DoD, DoE, and the SEEP-IT grant, offering hands-on research experience for high school, undergraduate, and graduate students. Please complete this form to express your interest and help us match you with the right opportunity.

All fields marked with an asterisk (*) are required.

Personal Information

Full Name*: _____

Email Address*: _____

Phone Number: _____

Student Status*: ☐ High School Student ☐ Undergraduate Student ☐ Graduate Student

School/Institution* (for high school students): _____

Student ID Number (for current UAPB students): _____

Academic Information (for UAPB students)

Current or Intended Major*: ☐ Chemistry ☐ Physics ☐ Other (specify) _____

Year of Study* (e.g. UAPB sophomore, or high school senior): _____

Expected Graduation Year*: _____

Relevant Coursework (List any chemistry, physics, or related STEM courses you've completed or are currently taking (e.g., General Chemistry, University Physics, Organic Chemistry...):

GPA (for UAPB students, optional): _____

Prior Research Experience:

Availability:

Program of Interest*: ☐ Academic Year Research Assistantship (☐ Undergraduate/☐ Graduate)

☐ SEEP-IT Summer Research Program (High School)

Commitment Level: ☐ 5-10 hours/week ☐ 10-20 hours/week ☐ Full-Time (Summer Only)

☐ Other (specify) _____

Acknowledgment*:

☐ I confirm that the information provided is accurate and understand that submitting this form expresses interest but does not guarantee a research position.

☐ I agree to be contacted by the Department of Chemistry and Physics regarding research opportunities.

Submission Instructions

Please complete and save this form, then email it as an attachment along with your resume or CV to Dr. Qinglong Jiang at jiangq@uapb.edu to apply.
