

2025-2026 PARENT REFUSAL FORM

STUDENT FINANCIAL SERVICES

Student Name: _____ UAPB Student ID Number: _____

Federal regulations give schools the authority to allow a student to borrow a Federal Direct Unsubsidized Loan when the student's parent(s) has ended all financial and has refused to complete and sign a Free Application for Federal Student Aid (FAFSA). Students who request consideration for the loan should read the rest of this form and have one parent complete and sign the form. Note that this form does not allow a student to apply for financial aid as an independent student. Students must understand that they are requesting only an unsubsidized loan subject to the limits for dependent students. No other federal aid will be available, including the Federal Direct Parent PLUS Loan, the Federal Direct Subsidized Loan, and Pell Grant.

Although the Office of Student Financial Services may waive the requirement for parent income and asset information on the FAFSA, the student must complete and submit a FAFSA that includes all the required student information and certifications.

A dependent student whose parent(s) has ended financial support and refuses to file the FAFSA may be eligible to receive Federal Direct Unsubsidized Loans to assist in funding his/her education. The Office of Student Financial Services will make this determination based on the documentation submitted, and this request will be approved only in certain circumstances. The decision of the Office of Student Financial Services is final and may not be appealed to the U.S. Department of Education.
