Change My Licenses (H) Professional Certifications and Licenses Certifications and licenses are credentials that demonstrate a level of skill or knowledge needed to perform a specific type of job. Certifications are issued by a non-governmental body, but licenses are awarded by a government agency and convey a legal authority to work in an occupation. License Minimum Qualifications If a specific license is a minimum requirement for your position, please upload your licenses here. Enhancing Talent Profile If your position does not require a license; however, you have a professional license you can still upload the license here to have it reflected on your talent profile. Note If your License Issuing Authority is not available, select the "None of the above" option. If your License ID Type is missing, please contact HR ≣ 🗖 Licenses 1 item Issued by Country / Issued by Country Region / (+)*License ID Type Identification # Issued Date Class Issued by Authority
