- Protects the public through regulatory oversight
- Encourages evidence-informed treatment and recovery services

When the Board Meets

Board typically meets monthly every second Friday at 1:30pm. Meetings are typically one hours.

All meetings are open to the public.

Professional Spotlight: Why Working with a Licensed Professional Matters

Licensed alcohol and drug abuse counselors have met rigorous education, training, experience, and examination requirements. They are held to a strict code of ethics and are committed to ongoing professional development. Choosing a licensed professional helps ensure you receive safe, effective, and ethical care that supports your recovery and protects your well-being.
